Our Non-Profit Organization is heading an initiative to erect a monument on the beach in Dieppe this august 19th to mark the 1st engagement of the US Rangers - ever. It also honors the first three Americans to give their lives in active combat in Europe in WWII. The names of all 50 US Rangers from the 1st Ranger Battalion who took part in Operation Jubilee will be inscribed. We are raising funds to pay for the monument. The linked PayPal account works from the USA. We need your help.
